

## Bump 022 for iPod

Perfect for Playtime

Part # P-F8W003

Perfect for Playtime

### Built for the Extreme

A durable iPod case like no other, with an exaggerated bumper-like design that makes it ideal for children and gaming. The plush silicone material feels great and is easy to grip, with internal ribs for shock absorption.

### Protection that Fits

The case fits snugly around your device to add a layer of protection that kids and gamers need, with full access to all controls and ports.

## Features

- Easy-to-grip, durable, plush silicone material
- Internal ribs for shock absorption
- Easy to hold—ideal for children and gaming
- Impact protection and scratch resistance
- Allows full access to all controls and ports
- Camera lens cutout
